Rev. Dear Sir

The Ledger for James
Wise Merchant having been Account
Steward about five years the Librarian
will be able to give you general
information on any Subject that relates
to this Mission.

I therefore refer you to him
and Mr. Thomas West formerly your
School Master in this place. Respecting
whose Moral Character I know nothing
but ^{what} is to their credit

They have been useful in
teaching me to instruct the Recaptured
People in the Country Villages and
in carrying on the Sunday School which
we had but have now undertaken for
want of an out fit of Books - better
accommodations & assistance.
