appears from the Public Papers that the Bishop of Palermo is
performing the tour of his Indian Diocese on his triennial visitation.
A Calcutta Journal notices his charge to the Clergy in that City; in
which, admitting to Missionaries his Lordship acknowledges their
general utility in the conversion of the Heathen; but thinks
they ought not to preach to congregations of Christians, as it
may introduce heresies into the Church of Christ! — (Lectures

from memory I do not profess to give the exact words, but
it is the substance. A sentiment that certainly
honors to the head of the Reverend Prelate, and adds a
lustre to the Mitre that crowns it!!
