

The I have not to boast of hundreds added to
Society yet we have had many added & I
trust such as shall be eternally saved. But I am
glad most in the growth of the People in Grace
of which I have many witness. Proofs, and very
many of them are the joy of my heart. I am far
from repenting my journey to Africa & I trust
ever shall. I love Methodist discipline as well
as doctrine and I endeavor on all occasions to
enforce it and I do believe the Lord hath blessed
this to many, it is really amazing to see how many
are stirred up to diligence who afore time were
loiterers in the way of an hindrance to others.
Among those lately brought in are several Backsliders
some of whom are not only come back but have
found Peace with God. The latter end of the last &
the beginning of this year, was marked by a precious
outpouring of the Spirit of God & several then step-
ped into Gospel liberty. Our Quarterly Love feast
held Dec^r 30th was indeed a profitable season, about
200 Numbers present 5 or 6 rising to speak at once &
I think nearly the whole would have spoken had
there been time we commenced quarter after 9 &
concluded quarter after 9 and then I was obliged to
break this in order to conclude. The language
of the recapitulated People was animating indeed
A woman named Sarah Dale said. I never
before time I walk in a broad Road. But Christ
he call me, & this time I walk in a way for
heaven. Christ he nurse. My Brother my sister
that he be true, he no be lie, suppose die
come to night I no be afraid for die.
A Man who has been a notorious sinner, gang
so far as twice to attempt suicide, said,
What thing me can do for God me no sauce thank
him, say him I live in a dark, but Christ he
come he give poor African light. He come in
my heart, I feel em. I trust Jesus, I think
he save save me to Heaven. Another a
poor printout said, Which way I can find God?
We hear plenty People talk he save God, me
by em hand for save me, me no feel danger
that me by em, Lord, Jesus what me can do
come live in my heart.
