places ~~at~~ which we regularly preach-  
two in Free Town and three in different  
Country villages which are entirely  
inhabited by recaptured Negroes.

to this we have since collected upwards of an  
hundred pound more which is now  
on hand.

We preach in the meeting house  
twice on Sunday, give a lecture to Children  
on Monday evening and preach on Wednesday  
evening; and hold prayer meetings every  
morning & two evenings in the week.
