in we look when this back continuent, and there were a france been a living in groß darknip Idolatry, or blind pleases lent the tree end live lomet , that that no ment ; yet we must not dispair , The heavenly fall me er and the wel , why water the wheels of they charakt tage Out in this sworkers; for hors can they hear without a Beacher and im or lend the They are lent of have it in Contemplation, when the hovitions Cons the country, the now and sillayes in the neighbourhood as I sincerafy mission in this place is Expensive, as ale things are un to be copied but Small, the faithful, if it was not for the quat the hetitioned the Committee for another preacher; there day, after a wen, and the other load visit the neighbourhood, our rinch if it is one and pray with theme But This I must leave at ent livery has days, in every respect five meet with every encouragement rep of for to or, Col Maranthy . When In Kirst went to Hosprook, A pleased with ind the Colonial School , I offered my lewise for a tume whigh T. Jurely the in brilliency for defutherland to engage in the School, he but gloy to for in, His Excellency, the Governor, by to return you his indsome manner in which you came forward to perform to the work blong . His treetening feels highy tensible , of your tervices on In oduw me imform you that he has accepted of your resignation. to Succeed you who will enter whon the Saturation to home of love my low miliford otic" "Ale lethen the grant who had a Sakary of may the Low e girls school, and as there was no Capable of Superintenting The first tens neut, but for the Jake of doing ford; The would take it until is 4 very fo time, if I lane buellings I saw the following printer stotice hours who. wich to resign the Literation of Whoolmistreps Notice is hereby going an uniter a her shoot , will in future be instructed by Mrs Downs, noto has Jon mit a to Sufferiotend their education, until Some other array who have Children under their care, and of an age to receive which such nd them to MM travels at feet hours the May point out & lamon not as yet resigned the not guite lettled. There is a humber and the heigh bourhood them puticularly the goods that Hay Lives general that lead the ban, and lowego Gospel when they are but tender plant. I am obliged to Majorgina, as I apare you they give us much pleasure in Living them. The Church Missionary Lowely on going to till laked Liesester hounterin, about for mile from

lay upon since we came here, but the Setterapens we had to our cogogs while were how me we have been obliged to lay one a deal of money for , few articles of turnelles authough to a large him, you would be astonished as the few detailes well for the money, we were necessitived to pick the them up as well as we exped , turnetter we estimagently high here . I have been a small heakfeast lable top for or and a that of drawn for 16. lattly I have lint the tresures an action of our Expende respecting board, we can not hotally and live bomething comfortably, of board here and 3. per week and I apare you is , that that will not go futuren than lather I have lent the account up to Jane Ir and the Committee that do just as they think best either allow the lim, or less things as I proposed if we thank have such things we can buffour provitions considerably theoper, I assure y I do not want any advantage but as I sincerfy believe that our worthy lower wishes us to be lonfortable, it oright to be copridered that we must have some notion governe every day, depter indeed will not do here I have tries, for as soon as you drink if , it is out again in perspiration Indeed the Lie I feel at this moment story happy , feal I have for When I reflect whom the loop of for to unworthy me I am lost in and praise - I am my A pleased with the Speeches de liver other Myrionary meetyn st. Surely the lord is working a work days, that angels desire to look futs, but gloy to for, a from since laved by good lan See further , [even in Africa) into the work of redemption than gabriel the realmy of light ( goforpair byth In Down med by Varie) when I am lontend time with her horizons work, I am july of love my soul is at home I hope that is for time with you now as longerence, may the Low preside over you I have latable a Missionary prayer meeting here, The first trustory of every more In ButiOher writes with the he is & very friendly, to he he means or estort in the Chapel at any time, if I laund attend I down to withing you every happiness, Jane winter in serbect to fire b. & for please to present our love to the formittee. Are his a very five letter from bom de Heming for which which we are one ! I am, bar Lin, your's, you dimently
